SALA DECISIÓN LABORAL
TRIBUNAL SUPERIOR DEL DISTRITO JUDICIAL DE CÚCUTA

Cúcuta, cuatro (04) de abril de dos mil veintidós (2022)

PROCESO:	ORDINARIO LABORAL
RADICADO ÚNICO:	54-001-31-05-001-2015-00366-00
RADICADO INTERNO:	17.941
DEMANDANTE:	ELIA MARÍA DEL CARMEN LATORRE ORDOÑEZ Y OTROS
DEMANDADO:	CENTRALES ELÉCTRICAS DE NORTE DE SANTANDER S.A. E.S.P.

MAGISTRADA SUSTANCIADORA:
DR. NIDIAM BÉLEN QUINTERO GELVES

En término oportuno dentro del proceso ordinario seguido por ELIA MARÍA DEL CARMEN LATORRE ORDOÑEZ, GERMAN ARDILA MENESES, ANA DELFA IGUARAN ARCILA, JAVIER CONSTANTINO CONSUEGRA MORA, GONZALO LOZA GOMEZ, CESAR TULIO ROLON RIOS, FELIX MARÍA MONTAGUT MONTAGUT, MARÍA TRINIDAD CARRILLO GARCIA, ORLANDO PUELLO REYES, HECTOR JESÚS SARMIENTO ACERO, JAIRO NIÑO PICON, CIRO ALFONSO TORRES DUARTE, EDUARDO ALFONSO DURAN BLANCO, ANGEL MARÍA BARRIENTOS BERBESI, JAIME ROBERTO MOGOLLON RODRIGUEZ en contra de CENTRALES ELÉCTRICAS DE NORTE DE SANTANDER S.A. E.S.P., el apoderado judicial de la parte demandante interpuso recurso extraordinario de casación contra la sentencia proferida por esta Sala en el proceso de la referencia.

La Ley Procesal Laboral establece que la cuantía para la viabilidad del recurso de casación, debe ser superior a los ciento veinte salarios mínimos legales mensuales vigentes, que para el año 2021 equivalía a \$908.526 y por ende el interés para casación asciende a \$ 109.023.120.

A su vez la H. Corte Suprema de Justicia ha reiterado que el valor del interés para recurrir en casación de la parte demandante, si el juez colegiado confirma íntegramente la absolución dispuesta por el A quo, no será otro que el valor de las peticiones impetradas en el escrito inaugural

del proceso y que a la postre, desde luego, les fueron negadas con la sentencia recurrida.

En este caso, lo pretendido principalmente por el actor era que se reliquidara la pensión de jubilación reconocida por la demandada para que se les reconozca el excedente pensional respectivo entre la tasa de reemplazo reconocida a cada actor hasta completar el 75% de la pensión de jubilación reconocida, por cumplir actualmente los requisitos legales para este reconocimiento; que, en consecuencia, se ordene el pago del retroactivo correspondiente, debidamente indexado y con los intereses moratorios a la tasa máxima autorizada.

Al resolver las decisiones de instancia se negó que a los actores asistiera el derecho a dicha reliquidación, por lo que procede la Sala a liquidar el alcance de sus pretensiones de la siguiente manera:

La Sala, conforme a los cálculos realizados para cada demandante, considera que es procedente conceder el recurso de casación interpuesto por el apoderado de la parte demandante respecto de los demandantes ELIA MARÍA DEL CARMEN LATORRE ORDOÑEZ, GERMAN ARDILA MENESES, JAVIER CONSTANTINO CONSUEGRA MORA, CESAR TULIO

ROLON RIOS, ORLANDO PUELLO REYES y EDUARDO ALFONSO DURAN BLANCO, por cuanto las pretensiones negadas superan el límite legal y se denegará respecto de los restantes dado que sus pretensiones no superan el límite para recurrir en casación.

Realizado el examen preliminar del expediente, sería del caso dar trámite al grado jurisdiccional de consulta del fallo de fecha 24 de agosto de 2021, actuación registrada en la página de oficial de consulta de procesos, el día 10 de Noviembre de 2021, si no observara el despacho que dentro del mismo y con posterioridad a la sentencia proferida, se promovió un incidente de nulidad, que necesariamente debe ser resuelta por el juez de primera instancia, por lo que se ORDENA la devolución del expediente al juzgado de origen para lo de su competencia.

Lo anterior, con el objeto de garantizar el derecho a la doble instancia de las partes en conflicto, frente a la decisión que resuelva dicho incidente de nulidad, en virtud a que la irregularidad promovida, atañe a una situación originada con anterioridad a la sentencia emitida por el juzgador de primer nivel, ante la ausencia de citación a las partes en contienda a la audiencia de que trata el artículo 80 del CPL y SS.
