THE HISTORY OF THE
CITY OF BOSTON
FROM 1630 TO 1880

CHAPTER I.

THE FIRST SETTLEMENTS.

THE first settlement in the city of Boston was made by a group of Englishmen who came to the Massachusetts Bay in 1630. They were led by John Winthrop, who was a Puritan minister and a statesman. They came to the city of Boston to establish a new colony, and they were joined by other settlers in the following years. The city of Boston grew rapidly, and it became one of the most important cities in the New England. The city of Boston was the center of the Puritan movement, and it was the birthplace of the American Revolution. The city of Boston was the first city in the world to have a public library, and it was the first city in the world to have a public school. The city of Boston was the first city in the world to have a public hospital, and it was the first city in the world to have a public park. The city of Boston was the first city in the world to have a public library, and it was the first city in the world to have a public school. The city of Boston was the first city in the world to have a public hospital, and it was the first city in the world to have a public park.

CHAPTER II.
