| **Proceso:** | **EJECUTIVO** |
| **Demandante:** | **LEASING BOLIVAR S.A.** |
| **Demandado:** | **LADRILLERA LA GLORIA LTDA Y OTROS** |
| **Radicación:** | **76-130-40-89-001-2008-00132-00** |

**PROBLEMA JURÍDICO:**

Resolver el recurso de reposición interpuesto por la parte actora a través de su apoderado judicial contra el auto fechado el 09 de abril de 2021 por medio del cual se modificó la liquidación del crédito.

**FUNDAMENTOS DEL RECURSO:**

Concentra su discordia en que los intereses moratorios se deben cobrar conforme se ordenó en el mandamiento de pago, es decir a la tasa máxima legal permitida por la Superintendencia Financiera y hasta que se verifique su pago, situación que fue corroborada por la Sentencia de Primera Instancia No. 030 del 26 de marzo de 2010, en donde se siguió la ejecución tal y como se mandó en el auto interlocutorio que libró orden de pago.

Adicionalmente alega que en el artículo 884 del Código de Comercio estableció los límites de intereses y sanción por exceso, en el sentido de que si las partes no han estipulado el interés moratorio este equivale a una y media veces del bancario corriente, es decir a la máxima permitida por la Superintendencia Financiera y no como se liquidó en el auto recurrido.

Apela a que la liquidación del crédito que esta Instancia reconoció asciende a la suma de $ 337’772.376,02 MCTE y la radicada por el togado es de $ 815’752.912,00 MCTE, arrojando con ello una gran diferencia tanto en el valor total de canones vencidos como en los intereses de mora, haciendo hincapié en que se está desconociendo lo dispuesto en auto que mandamiento de pago y la norma. Para resolver se hacen las siguientes,

## **CONSIDERACIONES:**

Al estudiar todos los argumentos rendidos por el inconforme la Instancia no los comparte, inclusive son alegatos que no pueden ser tenidos en cuenta una vez mediante auto interlocutorio No. 255 del 28 de marzo de 2016 se dispuso modificar la tasa de liquidación de los intereses moratorios sobre las cuotas reclamadas conforme a lo dispuesto en el artículo 1617 del Código Civil, providencia que no fue objeto de recursos. Además se debe tener en cuenta que si bien es cierto se incurrió inicialmente en un error al tasar los intereses moratorios a la tasa máxima legal fijada por la Superintendencia Financiera, también es cierto que dicha actuación se corrigió y se enmendó con el auto arriba en mención (Inciso 3 del Art. 286 C.G.P.), sin que signifique que se tenga que dejar persistir el error y por consiguiente dejarlo incólume.

Cabe advertir que existen dos tipos de obligaciones, una civil y otra comercial, por lo que dependiendo de qué obligación se está reclamando así mismo se fijará la tasa para cobrar los intereses moratorios, esto debido a que el contrato de leasing no está reglamentado en la legislación colombiana, por lo que tal contrato se homologará a lo dispuesto en el artículo 1602 del C. Civil bajo el entendido de que “el contrato es ley para las partes” y lo que deriva de él.

Con respecto a lo esbozado por el togado en el sentido de que la Judicatura no está liquidando los canones de arrendamiento por su valor total se entrará a verificar la liquidación del credito por el profesional y la emitida por la Secretaría del Despacho, lo que al constarse con las documentales adosadas se vislumbra que en los contratos traidos como base de ejecución nos hallamos ante una cuota variable y no fija como se estableció en comienzo por la  Secretaría, motivo por el cual se deberán reliquidar las cuotas en la suma especificada por el profesional del derecho de la siguiente manera,
