Respetada Señora Juana:

Reciba un cordial saludo de BBVA Colombia.

Nos dirigimos a usted en respuesta a su reclamo presentado en nuestro Servicio de Atención al Cliente, donde solicita los movimientos del crédito del crédito de Vivienda Nro.0013\*\*\*\*\*1432 desde la apertura del mismo.

Con el ánimo de brindar la claridad requerida, es necesario aclarar lo siguiente:

1. El valor de su cuota fija mensual (intereses corrientes + capital) corresponde actualmente a \$ 1,492,518.03.
2. Los intereses de mora y los seguros deudores no se consideran parte de la cuota fija mensual, puesto que su facturación es variable. Los intereses de mora nacen cuando el pago es posterior en la fecha convenida; los seguros se liquidan siempre con base en saldo de capital y en el factor de riesgo de los titulares de la cartera (determinado entre otros factores por la edad).

El sistema de amortización que tiene su crédito es creciente en el abono a capital y decreciente en los intereses, es decir que con el paso del tiempo abona mayormente a capital y los intereses calculados son menores. Al final del crédito adjuntamos los movimientos del crédito.

Recuerde que si necesita consultar o realizar transacciones de sus productos, cuenta con nuestro portal transaccional [www.bbva.com.co](http://www.bbva.com.co) y la Banca Móvil.

Nos despedimos reiterando que nuestro mayor interés es atender con claridad y transparencia sus inquietudes.

Atentamente,

**BBVA Colombia**  
**Servicio al Cliente**  
Jesús A.
