

JUZGADO OCTAVO ADMINISTRATIVO DEL CIRCUITO DE SANTA MARTA

Santa Marta, dieciséis (16) de septiembre de dos mil veintidós (2022)

Radicación No.: 47 001 3333 008 2007 00246-00
Actor: Efraín Alfaro Pérez y otros
Demandado: CASUR
Medio de Control: Ejecutivo

Se procede a resolver sobre la solicitud de librar mandamiento de pago conforme a la demanda ejecutiva promovida por Efraín Alfaro Pérez, Carmen Ávila Blanco, Carmen Ávila Granados, Nicolás Antonio Barrios Racine. Armando Campo, María Isabel Cárdenas de Camargo, Sara Emilia Candelario de Jiménez, Pedro Emilio Cardona Grisales, José Elías Castaño López, Hermenegildo Castillo Mendoza, Carlos de Armas Salas, David Claudio Ferrero Calderón, Ernesto Forero Contreras, Eulo Granados Senegal, Ena Isabel Hernández de Gutiérrez, José de Jesús Hernández Mesa, Andrés Walterio Jiménez Toscano, Rafael Enrique Laborde Toncel, Elisa Ester Maestre de Bermúdez, Carlos Arturo Manjarrés Granados, Joaquín Martínez Esquea, Héctor Enrique Mejía Cervantes, Rafael Francisco Meza Villalobo, Amelia Mongui de la Cruz, José de Jesús Montenegro Rodríguez, Jesús Armando Morales, Eloy Niebles Rodríguez, Elberto Ospino de León, Blas Segundo Peña Mejía, Víctor Pinzón Avelaneda, Julio Quiñones Portocarrero, Diomedes Quiroga, José Ramón Ríos Miranda, Ángel Alberto Rivaldo Delgadillo, Humberto Rivaldo Ibarra, Cesar Augusto Rodríguez Rosentil, Abraham Segundo Rojas Guillot, Fernando Emilio Sánchez Mendoza, Heriberto Isaac Vidal Verdugo, Nelly Aminta Zamora de Rodríguez, mediante apoderado judicial, contra CASUR.

El presente asunto versa sobre el cobro judicial de la sentencia proferida por el Tribunal Administrativo del Magdalena el 1 de diciembre de 2003. Que constituye el presupuesto para el ejercicio de la acción compulsiva es la existencia formal y material de un documento o conjunto de documentos que contengan los requisitos de título ejecutivo, de los cuales se derive la certeza judicial, legal o presuntiva del derecho del acreedor y la obligación correlativa del deudor; es decir, lo que le permite al primero reclamar del segundo el cumplimiento de la obligación resultante del documento.

Por ende, la sentencia emitida por el Tribunal Administrativo del Magdalena es el documento idóneo que debe incorporarse con la demanda, pues constituye la columna vertebral del proceso, de donde se sigue que sin su presencia, no puede librarse el mandamiento de pago, por ser un presupuesto indispensable de la ejecución forzada.

Ahora, es uniforme en la jurisprudencia civil y en la doctrina el clasificar los requisitos necesarios para que exista título ejecutivo en requisitos de forma y de fondo; las primeras (las de forma), exigen que se trate de documento o documentos que conformen unidad jurídica; que emanen de actos o contratos del deudor o de su causante (títulos contractuales), o de una sentencia de condena proferida por el juez (títulos judiciales) etc. Las segundas condiciones (las de fondo), atañen a que de ese o esos documentos, con alguno de los orígenes indicados, aparezca a favor del ejecutante y a cargo del ejecutado, una "obligación clara, expresa y exigible y además líquida o liquidable por simple operación aritmética si se trata de pagar una suma de dinero".

JUZGADO OCTAVO ADMINISTRATIVO DEL CIRCUITO DE SANTA MARTA

Frente a esas calificaciones, ha señalado la doctrina que por expresa debe entenderse cuando la obligación aparece manifiesta en la redacción misma del título, es decir, que en el documento o documentos que contienen la obligación, debe constar en forma nítida el "crédito - deuda", sin que sea necesario acudir a elucubraciones o suposiciones. Por ello, como lo ha dicho la doctrina procesal colombiana, *"faltará este requisito cuando se pretenda deducir la obligación por razonamientos lógico jurídicos, considerándola una consecuencia implícita o una interpretación personal indirecta"*.

Así mismo, otra de las cualidades necesarias para que una obligación sea ejecutable es la claridad, esto es, que debe ser fácilmente inteligible y entenderse en un solo sentido.

Finalmente, la última cualidad para que la obligación sea ejecutable, es que sea exigible, es decir, que pueda demandarse su cumplimiento por no estar pendiente de un plazo o una condición. Dicho de otra forma, la exigibilidad de la obligación se refiere, a la que debía cumplirse dentro de cierto término ya vencido, o cuando ocurriera una condición ya acontecida, o para la cual no se señaló término pero cuyo cumplimiento sólo podía hacerse dentro de cierto tiempo que ya transcurrió, y la que es pura y simple por no haberse sometido a plazo ni a condición, previo requerimiento.

Valor del mandamiento de pago solicitado:

Es necesario precisar que, si bien la parte accionante solicitó se libere el mandamiento de pago por valor de \$2.202.776.749 por concepto de capital adeudado más la indexación y los intereses.

Sin embargo, al momento mediante providencia del 11 de agosto de 2017 el Tribunal Administrativo del Magdalena revocó el mandamiento de pago librado por auto del 31 de enero de 2011, y en su lugar se ordenó librar nuevamente orden de pago, bajo los parámetros ordenado en el numeral segundo de la mencionada providencia, que indicó:

"Segundo: El A-quo, previo a librar mandamiento de pago, deberá establecer la suma liquidable mediante operación aritmética y para ello debe tener en cuenta:

- i) Lo dispuesto en la sentencia del 1º de diciembre de 2003 y el fallo que la complementa, esto es lo ordenado en la Tutela de fecha 2 de febrero de 2010,
- ii) El tiempo de servicio prestada por cada uno de quienes se retiraron siendo agentes, para efectos de determinar el porcentaje de la prima de actualización que contempla los Decretos 335/1992, 025/1993, 065/1994 y 133/1995.

JUZGADO OCTAVO ADMINISTRATIVO DEL CIRCUITO DE SANTA MARTA

- iii) Los porcentajes de la prima de actualización que contempla los Decretos 335/1952, 025/1993, 065/1994 y 133/1995, que debe aplicarse por cada año reconocido a cada uno de los ejecutantes.
- iv) Lo pagado por CASUR mediante las Resoluciones. (...)
- v) Las deducciones de ley

Por lo que, este despacho procedió a requerir en dos oportunidades a la entidad ejecutada para que remitiera la información necesaria para decidir sobre el mandamiento de pago.

Una vez allegada la información encontrándose el proceso de la referencia para decidir si es procedente acceder al mandamiento de pago, para lo cual se tuvo en cuenta los siguientes parámetros:

- La asignación básica correspondiente a cada año, es decir, 1992, 1993, 1994 y 1995, tomada de los actos administrativos que regulan la Prima de Actualización.
- Se tomó el porcentaje de la prima establecida en cada uno de los actos administrativos, Decretos 335 de 1992, 025 de 1993, 065 de 1994 y 133 de 1995, en donde es claro que todos los ejecutantes al haber ejercido el mismo cargo, les corresponde el mismo porcentaje y además todos trabajaron más de 15 años.
- Se tomaron las 12 mesadas, correspondiente a los 12 meses de cada año.
- La prima de actualización, se liquidó teniendo en cuenta en el mismo porcentaje que se le reconoció la asignación de retiro.
- Se realizó la indexación desde el mes de causación de cada prestación como IPC inicial y la fecha de ejecutoria de la sentencia como IPC final, que es 24 de agosto de 2004.
- Los intereses se liquidaron desde la ejecutoria de la sentencia 24 de agosto de 2004 hasta la fecha de los abonos realizados por CASUR.
- Los abonos fueron deducidos del resultado indexado más los intereses liquidados de acuerdo con las indicaciones anteriores.
- Los dineros cancelados por valor de \$ 3.782.879.520, los cuales fueron entregados mediante orden de pago de depósito judicial por el Juzgado Primero Administrativo dentro del proceso de la referencia, una vez fue aprobada la liquidación del crédito que fue objetada.

JUZGADO OCTAVO ADMINISTRATIVO DEL CIRCUITO DE SANTA MARTA

Teniendo en cuenta lo anterior se procedió a revisar lo adeudado para cada uno de los ejecutante lo cual no arrojó:

Monto de la Prima por año:

Año 1992

JUZGADO OCTAVO ADMINISTRATIVO DEL CIRCUITO DE SANTA MARTA

En las tablas anteriores se liquidaron los valores de las primas para cada uno de los ejecutantes para cada año, aquí cobrados, y en los cuales se tuvo en cuenta el tiempo laborado para establecer el porcentaje de la prima que les corresponde para los años 1992, 1993 y 1994 de acuerdo con lo Decretos 335 de 1992, 025 de 1993, 065 de 1994 y 133 de 1995.

Ahora se procederá a tomar cada uno de los ejecutantes para establecer si se el ente demandado adeuda valor alguno para lo cual tenemos:

EFRAIN MARIA ALFARO LOPEZ
